DRAGONBONDED

The EU's new General Data Protection Regulation (GDPR)

In the coming week, I will be reviewing the European Union's GDPR requirements and making sure that my website is fully compliant with these laws. In the meantime, please be aware that you can send me an email anytime at jdhart.author@gmail.com (<https://shoutout.wix.com/so/5MDjsq5B/click?w=LS0tDQo0MGVjNWZmNy1jYjFILTRmOGMtMGFIYi02NjBIMzhkMGI4ZjANCm1haWx0b2pqcZGhhcnQuYXV0aG9yQGdtYWlsLmNvbQ0KLS0t>) if you wish to be removed from further emails and notifications.

I may have more to write about this in the next newsletter as I learn more about what this new law entails.

Chronicles of Nartesis Shazarack: A Novella

After a month expanding and filling in a lot more detail, what was originally a short story has nearly tripling in length, coming in at a reasonable 115 pages. The draft manuscript for my debut novella is now in the hands of the Beta readers for a final review cycle before it goes to my editor in early June. My editor will give it a good wave of her magic wand and turn my seedy pumpkin into a sparkling, majestic coach sure to keep readers turning into the night!

Let me also note that if the reviews I have received so far are any indication, you are in for an incredible treat! I can hardly wait to read what you think!

In the coming weeks, I will be finalizing the eBook cover in preparation for its release next month.

The novella will be available for download to subscribers no later than the middle of June and in eBook publication on Amazon later that same month. As a subscriber, you will be receiving a link to download the novella for free.

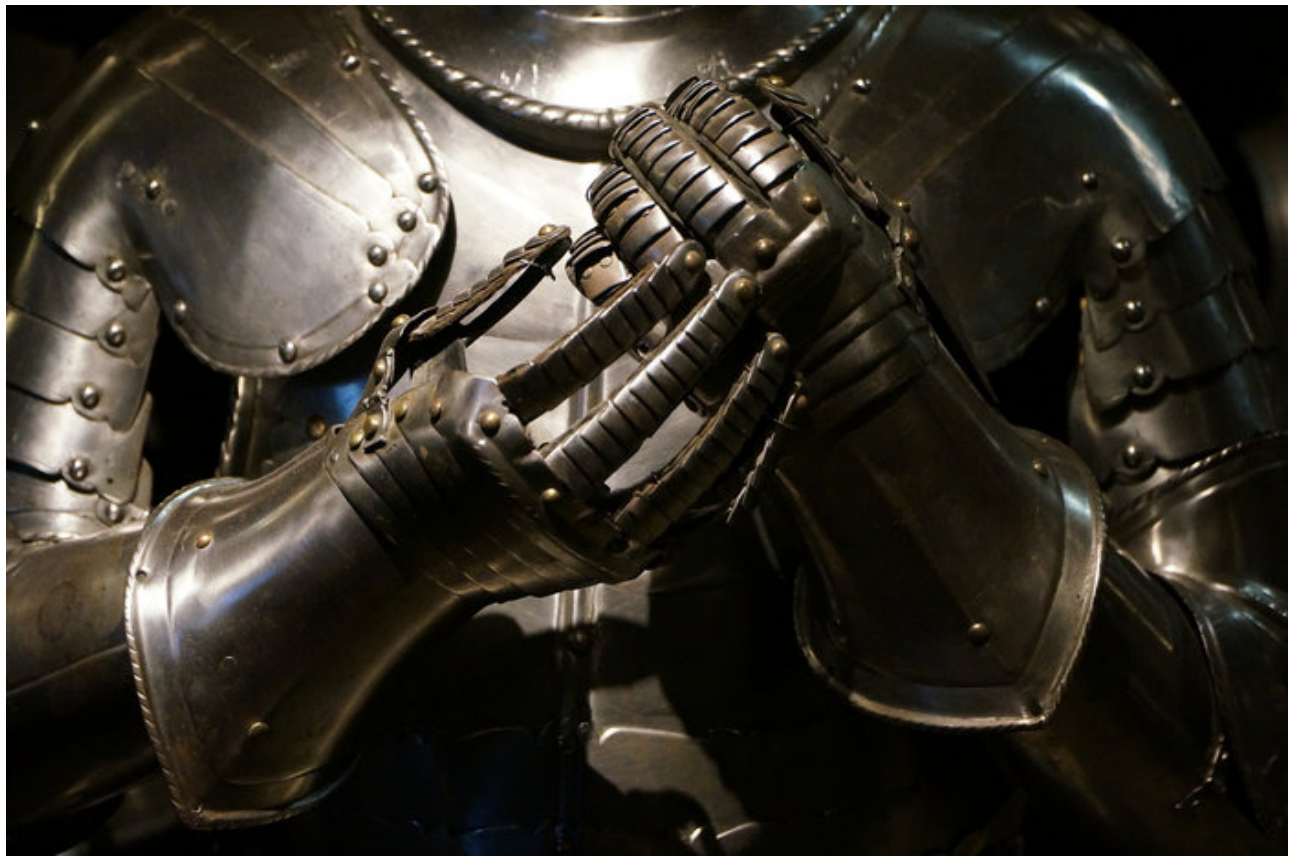

Books 1 and 2 in Print!

This week, I received a Proof for the first book in my series "Call of the Dragonbonded." And in the next week, I should be receiving a Proof for book 2, "Order of the Dragonbonded." By early June, both books should be available in soft bound printed format on both Amazon and my website.

Book 3: Army of the Dragonbonded

As I wrote in last month's newsletter, my plan is to write and distribute book 3 of the Dragonbonded Return series in four parts staggered over four to six months.

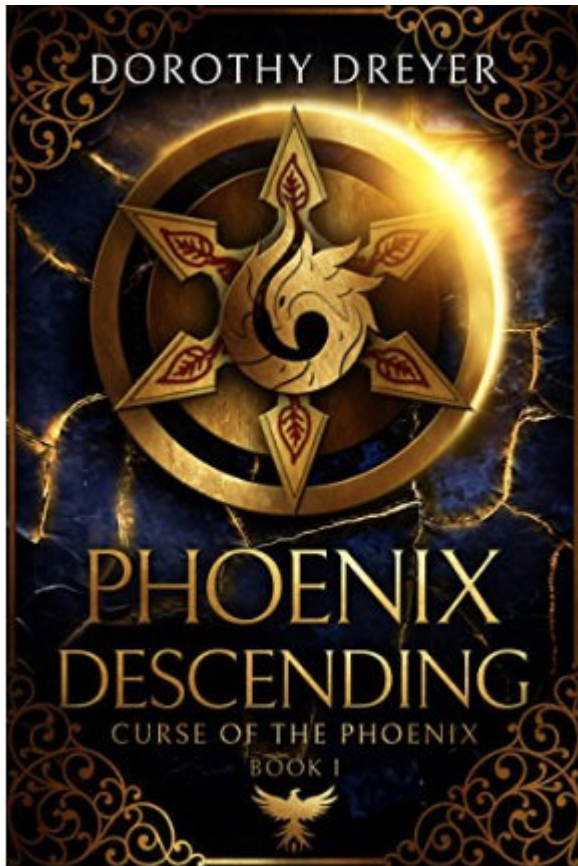

My goal is still to have Book 3 completed at the end of this year.
